CERTIFICATE

THREE-DIMENSIONAL SCOLIOSIS CORRECTION

THIS CERTIFICATE CERTIFIES THAT:

Smirnova Liudmula

Has successfully completed the training programme “Three-Dimensional Scoliosis Correction” — Module 1
Total training workload — 8 academic hours (0.27 ECTS credits).

The programme included theoretical training in the fundamentals of three-dimensional scoliosis correction, assessment of posture and spinal deformities, principles of corrective breathing, axial elongation, and corrective positioning using basic elements of the Schroth method.

The participant successfully passed the final assessment and demonstrated achievement of the learning outcomes.

Oleg Levytskyi
Head of the School
