CERTIFICATE

Kinesiotaping for Children

МІНІСТЕРСТВО ОХОРОНИ ЗДОРОВ'Я УКРАЇНИ

This is to certify that:

Olena Kovalenko

Completed the Training in Kinesiotaping for School-Age Children.

The total duration of the training program is 12 hours, equivalent to 0.4 ECTS credits.

During the training, the participant mastered safe taping of school-age children: skin sensitivity test, indications and contraindications, tape wear time and guidance for parents.
Acquired practical skills in taping for postural disorders, flat feet and sports injuries.
